To whom it may concern,

Simple Service Solutions have been taking care of the hood cleaning at Stax's Original for almost 2 years. They have been a great addition to our upkeep of the business. The guys are always pleasant and willing to work around our timeline. The job is done efficiently and thoroughly and their recommendations have proven to be helpful. They have done what they say they were going to do, which in this business is GOLD. All in all, we at Stax's Original are happy to recommend Simple Service Solutions.

Thank you,
